

Dreamer's Fundraiser

June 23, 2013

Dear Local Business Owners and Managers:

We are writing to request your assistance in an upcoming fundraiser event at the Life Church in Washington, PA on June 23rd, 2013 in support of Antionette Campbell. A beautician in the Irwin community, resident of Allegheny county, and servant of the Life Church in Washington, PA, she is a truly remarkable individual that helps give those around her hope that dreams can come true.

We have all experienced hardships in our lives, some more than others. Some lose hope, because all they perceive is the negative aspects of their life. What these people need is someone who understands what true adversity means and can show them how to regain hope.

A survivor of a painful and abusive journey, Antionette Campbell has made her life's mission to help kids that have been sexually abused. In support of her mission, she has attained her Minister's license, is a member of American Christian Counselors, RAINN Rape Abuse Incest National Network, and has invented a beauty supply product to expand her income to enable her to spend more time and money helping children.

Antionette is currently seeking patent protection in order to market her product. It is an expensive process and Antionette needs to raise \$15,000 in order to pay legal fees for the patent retainer and processing. We are asking that you join us by donating goods or services from your business for her fundraiser event. Anything you are willing to give such as gift cards or products / services would be greatly appreciated and will be used in raffles or Chinese auction baskets to fund her beauty product in obtaining patent protection.

We are very excited for Antionette and believe this is the start of many great things including a product to help beauticians like herself, their clients, and most of all, children. With additional resources, Antionette will be able to dedicate more time and financial support to children who have experienced the unfathomable. By reaching out to kids at time when they need love, understanding, and support, Antionette can help them find God to give them the strength to overcome the past and reach toward the future to pursue their dreams...

We anticipate that over 300 people will attend the spaghetti dinner event which will include an afternoon/evening with DJ entertainment, a great meal, raffles and prizes. **In addition, special guest Bruce R. Baker, adjunct associate professor at the School of Health and Rehabilitation Sciences and founder and president of Semantic Compaction Systems, a patented visual language system based upon ancient hieroglyphics (www.minspeak.com), will be speaking at the event in support of Antionette.**

Please call Antionette at 412-216-2806 by June 15th to arrange pick-up of your donation or if you have any questions. Thank you for your consideration and God bless you.

Sincerely,

Friends of Antionette Campbell

6/23/13

Spaghetti Dinner

3:00-7:00 pm

Life Church

100 N Main St.

Washington, PA 15301
